

**Capital District Transportation Committee
Significant Project Selection Change to R340**

TIP project R340 (PIN 1089.79), Intersection of US 4 and I-90: Intersection Safety Improvements received a significant scope change resulting in a “project selection” change to the TIP. The specific changes include local funds for developer mitigation for capacity enhancements at the following intersections: US 4 & Hampton Inn Drive, US 4 & NY 151, and NY 151 & Tempel Lane. Since the federal-aid portion of the project was unchanged as a result of the action, and waiting for Planning Committee approval could seriously affect the construction of the project, CDTC staff determined this change to be “project selection”. Therefore, project descriptions in the TIP and STIP have been modified to reflect these changes. The following tables detail the changes to the funding made in the TIP and STIP.

Previous TIP Funding					
TIP #	PIN	Phase	FFY	Fund Source	Amount
R340	1089.79	P	19-20	HSIP	0.584
		D	20-21	HSIP	0.292
		C	20-21	HSIP	3.850

New TIP Funding					
TIP #	PIN	Phase	FFY	Fund Source	Amount
R340	1089.79	P	19-20	HSIP	0.584
		D	20-21	HSIP	0.292
		C	20-21	HSIP	3.850
		C	20-21	Local	2.250
		R	20-21	Local	0.015

No action is needed from the Planning Committee, since these changes have already been made.
