Amendments to the 2019-24 TIP

At its November 3, 2021 meeting, the CDTC Planning Committee recommended the following amendment to the Transportation Improvement Program (TIP).

1. A607, 1085.46, Route 146 Over Normanskill Bridge Replacement, BIN 1038310, Town of Guilderland, Albany County

The New York State Department of Transportation has selected Route 146 over the Normanskill for a Bridge Replacement project as part of the statewide asset management initiative to improve bridge conditions and resiliency. The project is being funded outside of Regional Planning Targets and progressed for construction in 2022.

This is a new project, funded with NHPP-NY, which is from statewide (not from Region One or CDTC) funds.

The amendment is detailed in the table below.
