Amendments to the 2019-24 TIP

At its October 5, 2022 meeting, the CDTC Planning Committee recommended the following amendments to the Transportation Improvement Program (TIP).

1. T150, CDTA06, Expansion of CDTA's Electric Bus Fleet and Charging Infrastructure, Regional Transit

This project will grow CDTA's electric fleet and equip the Albany Garage with the electrical and structural upgrades and infrastructure necessary to charge a fleet that is 25% electrified, as required by New York's Progressive Clean Energy Platform. Upgrades include three charging containers to power 61 pantographs, backup power generation, a charge management system, twelve electric buses, and workforce development.

The amendment is detailed in the table below.
