Dear Ms. Misiewicz:

TIP PROJECT NUMBER: RG143

The amendment is proposed due to the following:

X New Project
Other:

PROVIDE EXPLANATION FOR CHANGE:

The Office of Traffic Safety and Mobility has confirmed the use of Main Office HSIP funds on Curve Warning Sign Projects commencing in SFY 24-25. Main Office HSIP (HSIP-NY) will fund three Curve Warning Signs projects. While Preliminary Design for all eight counties within NYSDOT Region 1 will be funded by a separate statewide PIN (SCWS.01), the rest of the phases will proceed as parts of three projects:

- 1CWS.24 - Curve Warning Sign Upgrades, Region 1 – Northern (Warren, Washington, Essex Counties);
1CWS.25 - Curve Warning Sign Upgrades, Region 1 – Southern (Albany, Greene, Rensselaer Counties); and
1CWS.26 - Curve Warning Sign Upgrades, Region 1 – Middle (Saratoga & Schenectady Counties).

The below tables illustrate the anticipated funding within the Transportation Council planning area for PINs 1CWS.24 and 1CWS.25. The final table illustrates the funding in the new regional block funding multi-site project. The program is statewide funded and therefore does not count against Transportation Council planning targets.
