RE: PIN 1762.92 - New Karner Road / Washington Ave Extension Roundabout

Dear Ms. Misiewicz:

We are submitting the proposed request for addition to the 2022-2027 Capital Region Transportation Council (CRTC) TIP for consideration by the Planning Committee at its next scheduled meeting.

TIP PROJECT # A632

The amendment is proposed due to the following:

- Scope Change
- Cost Change
- Schedule Change
- New Project
- Other

PROJECT DESCRIPTION:

The proposed amendment draws down funds from year 5 of the Highway Safety Improvement Program (HSIP) Set-Aside (PIN CDTC33) for a new project.

This project includes construction of a new 2-lane Roundabout with ancillary pedestrian accommodations (shared use path), approach pavement, guiderail, and retaining wall work at and adjacent to the intersection of New Karner Road (Albany County) and Washington Ave Extension (NYS), from Pinehurst Boulevard to Rifle Rifle Range Road.

These improvements, which (Design and ROW phases) had previously been added to existing PIN 1132.16 (TIP # A295) are now being developed as a stand-alone project due to the extensive time-frame

anticipated for permitting and agency approvals related to protected species in and around the Albany Pine Bush. As such, beyond the addition of this new project (PIN 1762.92 / TIP # A632), the current project description of PIN 1132.16 (TIP # A295) will also be changed to no longer include the roundabout improvement.

The proposed Amendment is presented/detailed in the following tables:
