RE: NYSDOT PIN 1085.46 ROUTE 146 OVER NORMANSKILL, BIN 1038310 (TOWN OF GUILDERLAND, ALBANY COUNTY)

Dear Ms. Misiewicz:

We are submitting the proposed amendment to the 2022-2027 Transportation Council TIP for consideration by the Planning Committee at its next scheduled meeting.

TIP PROJECT NUMBER: A607

The amendment is proposed due to the following:

- X Scope Change
X Cost Change
[] Schedule Change
[] New Project

PROVIDE EXPLANATION FOR CHANGE:

This is an updated version of the TIP amendment from the Planning Committee Meeting held on July 10, 2024. Given the most current information, we are increasing the proposed Construction and Construction Inspection amounts. During project development in coordination with the Town of Guilderland, a planned multi-use path extending from Western Avenue south through the project limits was identified. This project will construct a portion of the path between Tawasentha Park and the Winter Recreation area including on the new bridge. Between inflation and the addition of the path, Construction is increasing to \$9.600M and Construction Inspection is increasing to \$1.920M. In addition, the Construction phase of the project will move out to FFY 2025.

Table with 10 columns: TIP #, PIN, Current TIP Data (Phase, Fund Source, FFY, Cost (\$M)), Proposed TIP Data (Phase, Fund Source, FFY, Cost (\$M)). Rows include project A607 with PIN 1085.46 and four phases (P, D, CI, C) with their respective fund sources and costs.
