RE: NYSDOT PINs:

- **1763.78 CHANGO DRIVE MULTI-USE PATH (TOWN OF MALTA, SARATOGA COUNTY)**
- **1763.79 NORTH MAIN ACTIVE TRANSPORTATION CONNECTIONS (VILLAGE OF VOORHEESVILLE, ALBANY COUNTY)**

Dear Ms. Misiewicz:

We are submitting the proposed amendment to the 2025-2030 Transportation Council TIP for consideration by the Planning Committee at its next scheduled meeting.

TIP PROJECT NUMBERS: TBD

The amendment is proposed due to the following:

- ☐ Scope Change
- ☐ Cost Change
- ☐ Schedule Change
- **X** **New Project**

PROVIDE EXPLANATION FOR CHANGE:

The following projects were awarded funding from the Transportation Alternatives Program (TAP).

1763.78 CHANGO DRIVE MULTI-USE PATH (TOWN OF MALTA, SARATOGA COUNTY)

The Chango Drive Multi-Use Path project will construct approximately 1,100 linear feet of a paved, ADA-compliant shared-use path extending south from Chango Elementary School along Chango Drive toward the planned Northway Eleven community center, including a 10-foot-wide asphalt path, granite curb separation where adjacent to the roadway, drainage and utility adjustments, and a pedestrian crosswalk with Rectangular Rapid Flashing Beacons (RRFBs) at the intersection of Tamian Pass, Chango Drive, and Fairfield Drive. The project will significantly improve pedestrian and bicyclist safety, enhance access between neighborhoods, the elementary school, and the Malta Mall, and support walking and bicycling as practical, everyday transportation options along a heavily used corridor.

1763.79 NORTH MAIN ACTIVE TRANSPORTATION CONNECTIONS (VILLAGE OF VOORHEESVILLE, ALBANY COUNTY)

The Village proposes to construct new ADA-compliant sidewalks with curbing along North Main Street, extending the successful 2021 TAP-funded segment north to the Village boundary to address a documented gap in pedestrian safety and accessibility along this high-use corridor. Completing this link will create a continuous, ADA-accessible route connecting the Village's downtown, community amenities, neighborhoods, and the Albany County Rail Trail, while supporting safer multimodal travel and advancing local and regional transportation goals.
